Finishers

S-2000 Ultra

Accommodates Multiple Users in High-Volume Shops

S2000 Ultra
SKU: SUPREMES200UL

Larger volume repair shops or those with several employees working together will appreciate the design and efficiency of the top-of-the line S-2000 Ultra.

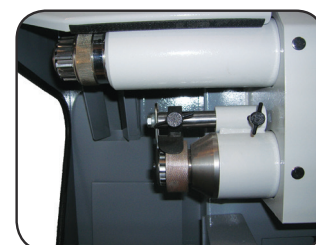

The motors are controlled independently. The S-2000 Max comes equipped with a double shelf for increased holding capacity. Its double blower fan system guarantees maximum efficiency for dust control.

The S-2000 Ultra as a double blower fan system guarantees maximum efficiency for dust control.

All Landis Finishers have a shaft bayonetted on both sides to interchange rapidly with our large variety of accessories.
